Acknowledgement

The Lessee does hereby acknowledge that

1. I/We will carry out pipeline work from the connection point to the shed as directed by the Engineer-in-charge of the Corporation.
2. I/We will provide the water meter, approved by the Engineer-In-Charge of the Corporation and all other necessary fittings will be provided at my/ our own cost. I/we also undertake to repair these fitting if the situation warrants.
3. I/We will keep a duplicate key with the in charge of the Estate and will have no objection for taking water meter reading daily.
4. I/We will also undertake to pay the water consumption charges every month before 10th of next month.
5. I/We will make necessary drainage arrangements including soak pit etc. in the plot or my/our shed, before the water connection is given to my/ our shed to the satisfaction of the Engineer-in-charge.
6. I/We understand that the water supply will be disconnected by the Corporation if the unit is in the arrears of water charges for more than TWO months.
7. I/We agree to pay the security deposit and connection charges as required by the Corporation.
8. I/We will pay the water supply charges at the rates decided time to time. We are aware that the present rate is Rs. 45/- (Rupees forty Five only) per cubic meter.
9. The monthly consumption of water will be 250 m³ for the said connection. (Copy of Project report attached).
10. Electromagnetic type digital water meter (B/class) will be provided by us

I will abide by all the statements mentioned above.
